- Venue should be big enough and affordable to cater for all attendees. Traveling on the after quite a few drinks is not safe. Quite a few people were late on the second day due to sleeping 'offsite'. Sleeping at the venue is better for breakfast as well
- See previous
- Ek sien uit elke jaar na die inspirasie, relevante "topics".
- Venue must please be able to accommodate everyone. To reduce travel time required, especially with breakfast.
- Also, dinner should have more networking opportunity. But overall, we had a lot of fun.
- Sanger dalk later in d aand as dit beaige musiek is of anders voor ete of tydens ete meer rustiger musikante. Dalk meer opkomende talent wat goedkoper is.
- It was an awesome experience. Thank you very much for all. Dot was 'n besondere ervaring.
- Was weereens 'n great konferensie! Dankie Erik en span
- Excellent conference The team
